Dear Mayor Skellie,

The mission of the Gulf Coast Women's Center for Nonviolence (Center) is to support and serve victims of domestic violence, sexual assault, and family members of homicide victims; to educate the community and to act to reduce incidences of violence. In 2013, the Center sought to attain this mission in Long Beach by providing direct services to 92 adult and child victims. Additionally, the Center provided indirect services to another 552 adults and children in Long Beach through the Center's crisis line and educational programs.

The Center is requesting $2,500 from Long Beach to continue to provide these life saving services to your residents. All of the Center's comprehensive services are available to the citizens of Long Beach.

Legislative statute permits the funding of rape crisis centers and domestic violence shelters by municipalities. As a domestic violence shelter we are required by state statute to receive 25% of our funding from local revenue sources.

The Center is a member of the Mississippi Coalition Against Domestic Violence, Mississippi Coalition Against Sexual Assault, and the Mississippi Coalition for Survivors of Homicide. Program components meet all statutory and licensing requirements as set forth by funding sources, State Department of Health, State Department of Mental Health, and accounting principals/standards. Additionally, the Center is a Certified Domestic Violence program by the Mississippi Coalition Against Domestic Violence.

Thank you in advance for your consideration. I am happy to meet with you at your convenience. If you need additional information or have any questions, please contact me at 228 436-3809 or smorrison@gcwcfn.org.

RE: Proposed Change Order #3
Hurricane Isaac – Fuel Facility Repairs
Long Beach Smallcraft Harbor

Ladies and Gentlemen:

We have attached a proposed change order for the referenced project. This change order was rendered necessary by the discovery of a damaged component of the fuel facility. The item in question is the TMS point-of-sale (POS) system for controlling the delivery and sale of fuel. The system is inoperable without a functional POS console. Since the console was completely functional at the time of Hurricane Isaac, we believe the console must have been damaged by long storage and lack of use and controlled environment. Therefore, we consider the costs associated with the replacement of the POS console to be eligible for FEMA reimbursement. This change order only includes an evaluation of the console by the Contractor. The actual replacement will be handled separately, working directly with the specialist contractor that works on these consoles.

This change order also includes the installation of a 50' hose reel for sale of diesel fuel. We do not consider this to be FEMA eligible and indicate on the 2nd page of the change order that this portion is "Non-FEMA participating". The hose reel will make the fuel system significantly easier for use, especially for larger boats.

We have also adjusted the contract time due to the delays encountered during permitting. We recommend approval so that this work may be completed.

Sincerely,

David Ball, P.E.

The SS3020-25-26 is a manual rewind reel without guide rollers. There is a savings of $480 over the previously quoted reel. With the same 50 of 1" hose, the installed cost is $3,020.

I am unaware of any arrangement for Superior to work for you directly. We are already $235 into a change order for the evalua on of the TMS POS console.

~~Two replacement parts are needed:~~
~~The "Console": $1,893.67~~
~~The I/O Board: $2,152.80~~

~~Es mated Labor to Repair: 8hr@ $80/hr = $640~~

~~Total Es mate to Repair exis ng TMS POS console: $4,686.47 (Plus $235 Evalua on)~~

I will have to check to see if any other items are outstanding.

OK sorry for the delay here. I believe that I've gotten as much as I'm going to get out of the City.

1. So, please provide a quote for a 50' hose on a manual (SS3020, I believe?) reel, to be provided and installed by Cobb.
2. Regarding other items, I believe I'll be working directly with Superior for the replacement of the TMS POS console. Is that your understanding also?
3. What other items are outstanding? I'm sure we'd all like to get one final change order that covers everything; then you guys can "be shed" of us.

Please advise.

Thanks,

Re: Surplus Property

Becky,

Recently my old printer became inoperative and was not reparable. A new printer has been purchased.

I emailed Kini with the information on the new printer to update our inventory, as follows:

Model Name: HP Officejet Pro 8630
Model Number: 8630
Serial Number: CN41JB616Q
Product Number: A7F66A
Service ID: 24245

Kini's instructions were to write a formal request to you, to surplus the old printer, so that it could be disposed of. I have the old printer sitting in a box until I receive instruction as to what to do with it.

Thank you,.

Amendment #51

* *

The Mayor Pro-Tempore recognized Linda J. Blakeney regarding Jerry's Lawnmower – Compliance with the Building Permit and City Ordinances, Required Enforcement.

Discussion was held regarding burning trash and other matters. It was noted for the record that Johnny Favre, Jerry's Lawnmower, obtained a burn permit from the Long Beach Fire Department, however, agrees not to burn trash in the future.

Upon further discussion, it was noted for the record that, due to the resignation of Building Official Earl Levens and staff shortage in the building office at this time, the matter would have to be delayed and investigated by the new building official once hired and situated in the new position. Ms. Blakeney was advised of other options through court to pursue a resolution to the problems if she was unable to accept the delay.

FIRST UNITED METHODIST CHURCH
OF LONG BEACH

Long Beach, MS

Dear Long Beach Board of Alderman and Mayor Skellie,

On behalf of the First United Methodist Church of Long Beach I am writing you to request the use of the Harper-McCaughan Town Green. We specifically would like to reserve the amphitheater and stage along with both gazebos and restrooms from 7:00am to 4:00pm on Sunday, November 16th.

In March of 2011 our church launched a new off-campus worship service called the Well. It began with the dream of reaching out to those in our community who do not have a church home and, for whatever reason, do not feel comfortable attending a worship service in a traditional church building. We have been renting the Fleming Auditorium on the Gulf Coast Campus of the University of Southern Mississippi here in Long Beach.

On Sunday, November 16 we would like to host an outdoor worship service and dinner on the grounds. The meal will follow our 11:00am worship time and will be football tailgating themed. There will also be games and treats for all ages.

We would love nothing more that to celebrate and fellowship in the center of the city that we love so dearly. We are very excited about the progress of our great city and the direction in which she is headed.

It is our desire to serve the citizens of Long Beach and your accommodation of the request along with the waiving of the rental fees would be greatly appreciated.

Thank you for your attention to this matter and for all you do for The Friendly City!

Sincerely,

Rev. Ben Barlow

Dear Long Beach Board of Alderman and Mayor Skellie,

On behalf of the First United Methodist Church of Long Beach, I am writing you to request the use of the Harper-McCaughan Town Green. We would like to reserve the amphitheater and stage from approximately 1:00pm to 7:00pm on Sunday, December 7th.

Our church has been so blessed to be a part of the Long Beach community, and we would like to be a blessing to others this year for Christmas. We would like to tell the Christmas story to the families of Long Beach in a fun and entertaining way, complete with hot chocolate and Christmas cookies. We would also like to have a community Christmas tree lighting.

It is our wish to give back to our community this Christmas season, and your approval of our request along with the waiving of the rental fees would be greatly appreciated.

Thank you so much!

Sincerely,

Lori Cripple
