**RE: Proposed Change Order #3  
BIG & CIAP Improvements – Paving  
Long Beach Smallcraft Harbor**

Ladies and Gentlemen:

The Contract for this project provided a generic and preliminary lighting plan, and required the Contractor to provide the final details for the lighting system, including an illuminance plan, foundations sizes, and other details as appropriate. Based on the Contractor's final design, the pole foundations must be larger than originally bid. The attached change order modifies the Contract to compensate for the increased size of these foundations. Also, we recommend the addition of contract time to offset delays encountered by the Contractor, such as significant weather impacts and other delays.

Therefore, we request your approval of the attached change order, resulting in an overall increase to the contract amount and an increase in the contract time.

Sincerely,

David Ball, P.E.

There came on for consideration the water/sewer bill, 123 South Island View, Gretchen Bell, and disputed charges post-Hurricane Katrina totaling \$5,448.00, calculated from January 1, 2008 to June 30, 2014. It was noted for the record that originally the charges were calculated from January 1, 2007 to June 30, 2014 and subsequently corrected, resulting in an adjustment, crediting the account balance in the amount of \$612.00.

Minutes of June 2, 2015  
Mayor and Board of Aldermen

Ms. Bell came forward with numerous documents, asserting that she did not owe the disputed amount.

Upon discussion, it was noted for the record that Ms. Bell confirmed a statement to the Mayor that, to the best of her recollection, she received a certificate of occupancy sometime in March or April, 2011, and the Mayor directed the utility billing department to calculate the arrearage from April, 2011, to June 30, 2014, totaling \$2,925.00.

After considerable discussion, Alderman Lishen made motion seconded by Alderman Young and unanimously carried that, due to the confusion in the aftermath of Hurricane Katrina and based upon statements from Ms. Bell regarding her certificate of occupancy, to accept \$2,925.00 as payment in full for the arrearage on the account.

\*\*\*\*\*

There came on for consideration the water/sewer bill, 10 Partridge Place, Samantha Igich, and disputed charges totaling \$660.00. The residence is owned by Ms. Igich's mother who resides in Croatia.

It was noted for the record that the utility billing department was not officially notified by the homeowner to discontinue service until arrearage was in excess of \$1,000.

The utility billing department applied a credit based upon electrical usage provided by the homeowner, leaving a balance due of \$660.00.

Upon further discussion, Alderman Lishen made motion seconded by Alderman Griffin and unanimously carried that payment for the \$660.00 arrearage must be paid in full.

There came on for consideration a request to donate property located on Galloway Street to the City, as follows:

RE: *Property Donation*

To Whom It May Concern,

Our office represents the Estate of Donald O. Simmons that owns several lots in the Belmont Subdivision. This particular property has a drainage ditch running through the middle that seemingly prohibits development.

The beneficiaries of the estate would like to donate the property to the City of Long Beach. If you are interested, please so advise within two weeks so the estate can move forward. Enclosed is the tax receipt and map for your reference.

With kind regards, I remain

Yours very truly,

It is our firm's opinion that this vacant lot is not sellable due to the large drainage ditch that runs through the middle of said property. There is not enough square footage for any type of development.
