

## NCBC + SPECIAL AREAS JOINT LAND USE STUDY

Learn about the Study\* Provide **final** comments on the JLUS Report\* Join us at the meeting that is most convenient for you\*

The final draft report will be presented to each governing board for acceptance at their upcoming meetings.

Additionally, the team will be outside the Board of Supervisors and City Council meetings for Hancock and Harrison counties and the City of Gulfport on August 7th and 8th. The team will be at the City of Long Beach for a public information meeting on August 15th. In the lobby of the meeting chambers, the team will have displays about the study along with team members to discuss with you. Don't miss your opportunity to share your opinions with us
