

**CHANCERY COURT OF HARRISON COUNTY, MISSISSIPPI  
FIRST JUDICIAL DISTRICT**

**IN THE MATTER OF:**

**LONG BEACH WATER MANAGEMENT DISTRICT      NO. 24CH1:01-cv-82283-55**

**NOTICE OF FILING OF UP-DATED LONG BEACH  
WATERSHED PLAN (SUPPLEMENTAL ENVIRONMENTAL  
IMPACT STATEMENT) BY THE LONG BEACH  
WATER MANAGEMENT DISTRICT**

IN ACCORDANCE with Miss. Code Ann. §§ 51-29-27 and 51-29-71 (1972, as amended) and pursuant to an Order of the Chancery Court of Harrison County, Mississippi, Notice is hereby given to owners of lands within the Long Beach Water Management District, that the Commissioners of the Long Beach Water Management District have filed with the Chancery Court of Harrison County, Mississippi an Up-Dated Long Beach Watershed Plan (Final Supplemental Environmental Impact Statement for the Long Beach Watershed).

According to the Supplemental Environmental Impact Statement the proposed improvements to Canal No. 1, between the Naval Construction Battalion Center and Espy Avenue, will include 3.8 miles of earth-lined channel, about two-tenths of a mile of rock riprap-lined channel and seven-tenths of a mile of selective snagging. The earth-lined channel sections will be constructed with 3:1 side slopes and a bottom width of 30-40 feet. These improvements will significantly enhance the capacity of Canal No. 1 and reduce damages associated with flooding in the Canal No. 1 floodplain.

A copy of the Up-Dated Long Beach Watershed Plan, the estimated cost of improvements, and maps of the drainage canal are on file with the Chancery Clerk of Harrison County, Mississippi. Property owners desiring to view the Supplemental Environmental Impact Statement can contact the Long Beach Water Management District, c/o Dukes, Dukes, Keating & Faneca, P.A., P.O. Drawer

W, Gulfport, Mississippi, telephone number: 228-868-1111 or go to [www.LBWMD.org](http://www.LBWMD.org) for more information.

If by reason of any changes of plans contained in the Supplemental Environmental Impact Statement any property owner deems that the assessment of the lands within the Long Beach Water Management District has become inequitable, he may file an objection with the Chancery Court in cause no. 24CH1:01-cv-82283-55, which shall thereupon, refer the objection to the Board of Commissioners for the Long Beach Water Management District, who shall reassess the property, increasing or diminishing the assessment as they may find just.

ISSUED UNDER MY HAND AND SEAL OF SAID COURT, this the 10<sup>th</sup> day of MARCH, 2017.
